Serial No. 10/617,847Remarks

By this Amendment, the applicants are correcting an obvious typographical error that has occurred in subject specification. The applicants have corrected the specification at page 3, lines 11-17, to correct the units on the dosage range. The correct dosage range is, of course, consistent with the examples provided in the specification. No new matter has been added by this Amendment.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§§1.16, 1.17, or 1.492 as required by this paper to Deposit Account No. 19-0065.

The applicants also invite the Examiner to call the undersigned if clarification is needed on any of this response, or if the Examiner believes a telephone interview would expedite the prosecution of the subject application to completion.

Respectfully submitted,
